

NEURO 2024

INTERNATIONAL NEUROSCIENCE CONGRESS

Dated: September 06, 2024

Invitation to International Neuroscience Congress (NEURO-2024)

Dear President of Danish Neurological Society

On behalf of the organizing committee, we would like to invite you and your society members to attend the International Neuroscience Congress (NEURO-2024). The NEURO-2024 Congress with the slogan “Unlocking the Mysteries of the Brain” will be held from 28–30 November 2024 in conjunction with the 5th Annual Meeting of the International Center for Neuroscience Research in the beautiful and historical city of Tbilisi, Georgia. The NEURO 2024 Congress welcomes scientists and neurological communities from around the world to submit proposals that highlight discovery research in any aspect of the brain and central nervous system. We would appreciate if you notify all members about this opportunity and announce it on your website and social media networks. **Proposal Submission Deadline: 15 September, 2024**,  [Download Proposal Form](#)

Thank you in advance for your consideration and looking forward to meeting you at “NEURO-2024” in Tbilisi!

Best Regards,

Nasrollah Moradikor, Ph.D.
